UNRESERVED SUCCESS

December 10th saw a very good turn out from across the county for the second fodder sale of 2007, with a strong trade in hay and straw in 8 lots.

A range of loads were available; from small hay and straw bales ideal for the equestrian market, through to half hestons and round bales of wheat and barley straw suitable for the agricultural sector.

Prices:

Large square straw bale	£12.50 per bale
Round wheat straw bale	£5.75 per bale
8ft spring barley bale	£12.00 per bale

Auctioneer Barry Hutchinson, a partner of Hamiltons Chartered Surveyors, commented: "We have been vindicated in the removal of reserves, as we are seeing a brisk trade with both vendors and purchasers being satisfied."

The auctions are held with the kind permission of Farm & Country Agricultural Supplies, Elton, Westbury-on-Severn.

Following the success of this year's auctions, future events will take place on January 7th and 21st, February 4th and 18th and March 3rd and 17th.

For entries and further details, please contact Hamiltons Chartered Surveyors on 01452 331134.

Vendors must confirm their load to Farm & Country, on 01452 706511, by not later than 5pm on the Friday preceding the auction.
